ABOUT ME

I'm Danis Marisela Gordillo, I grew up in New York City exposed to different cultures and a mix of interests. I currently attend CUNY: Queens College, majoring in Design and Media Studies, minoring in Psychology. I believe psychology goes hand in hand with design, art, music, film. Our goal as artists is to share a message without using words, visual communications. My recent works have been short films, menus, flyers, and illustrations.
